**Subject:** Ice machine

::

OSC Sandoval has directed START to get routine ice deliveries to the existing ice machine at the Durango ICP. We're getting pricing from the ice company this morning, but I wanted to let you know that the ongoing cost for supplying ice may exceed \$1000 if the response goes on for while and the sampling scope requires a lot of cooler shipments. The machine is rented or owned by the County and their shouldn't be costs beyond the ice itself. We'll forward costs from the ice company asap.

Thanks,

Dave

Thanks
